

North Dakota View 2012-13 Scholarships

Amount

Four \$500 scholarships will be awarded to four different students.

Who Can Apply?

Undergraduate or graduate students using remote sensing and/or other geospatial technologies in their research at any of the NDView educational institutions (see a list of members at http://www.und.nodak.edu/org/ndview/index_files/Page490.htm). Scholarship applicants must be sponsored by a faculty representative from an NDView educational institution.

What activities does the scholarship support?

The purpose of the scholarship program is to promote student development in remote sensing and other geospatial technologies. NDView would like to see a significant portion of the award used to support field work that complements a student's research, travel to a professional meeting, data purchase, software purchase, minor equipment purchase, professional society membership, journal subscription, and/or book purchase.

Please include the following in your application:

Curriculum Vitae (Resume) – Your CV/Resume must include, but is not limited to: a) your name, address, phone number, and e-mail address; b) educational background; c) work experience (if applicable); d) personal involvement with remote sensing and other geospatial technologies (through coursework, projects, work experience, or any other activity).

Essay – Please include a 1-page essay (typed double-spaced) that addresses your personal interest in remote sensing and/or other geospatial technologies and your plan for using the scholarship money to promote your personal development in the field.

Letter of Recommendation – Please include a letter of recommendation from the faculty member who is sponsoring you. The letter should be sealed in a separate envelope with the faculty member's signature across the sealed edge.

Submit the application package to:

**North Dakota View Scholarship
Geography Department
University of North Dakota
221 Centennial Drive, Stop 9020
Grand Forks, ND 58202**

All materials must be received by 5 p.m. CST on **Oct. 31, 2012**. Late and incomplete applications will not be considered. Valid applications will be considered by a review panel. Awards will be announced in November 2012. Students receiving awards are required to provide feedback about how the scholarship benefited their professional development.

These scholarships are possible through funding received by UND from the U.S. Dept. of the Interior – U.S. Geological Survey - AmericaView under award AV08-ND01.

If questions, please contact Dr. Brad Rundquist, UND Department of Geography and NDView Director, at bradley.rundquist@und.edu or 701-777-4589.
